THE ROCK

JULY 7, 2019

Life can be filled with deep suffering and pain.
How do we know the suffering is worth it?

QUESTIONS

01 **Talk about a time when you found yourself in the middle of suffering and pain. What do you remember most about that time? How did you navigate those waters?**

02 **Paul tells Timothy that you can trust the Scriptures because they were inspired by God. Do you believe that? If so, what gives you that confidence? If not, why?**

03 **Why is faith such an important part of the Gospel message? Why doesn't God simply reveal himself to every person to remove doubt?**

04 **Adam mentioned scripture as a foundation for having trust in Jesus. If this is true, why can it be so tough to consistently stay in the Word?**
