

What You Need to Know

KERRY SMITH, DIRECTOR OF WOMEN AND CHILDREN @ GOOD NEWS CHURCH

ABOUT US

After 18 years of preparing for and educating children, I have decided to trade in my classroom teaching hat and follow God's calling to enter full time ministry.

In June 2014 an old friend invited my family over for dinner and our lives forever changed. God's future plans for our life began to unfold little by little as we joined a launch team for a church plant in Powell, Ohio. A few months in, I took on a part time job as the children's program director (GNKids); Darin began helping lead worship and Harrison and Hudson set roots with a group of believers that I thank God for everyday.

ON MISSION.

My Mission: To share the Good News of Jesus as I help women and children take next steps in their walk with God.

My Role: My role is to continue directing and developing GNKids, as well as aid in the spiritual formation of women at Good News Church

My Call: I know without a doubt that the growth our church is experiencing, and the job loss that I have been hit with this past year (2 school closings, hello!) have been a catalyst for God's call on my life. God is calling me into Kingdom work by investing in children's and women's ministries.

Much of my life has involved working with kids and I am honored to have this opportunity to commit full attention to serving them as they grow in their love of Jesus. Additionally, my heart and mind have been flooded with the need for a church in the Columbus area that seeks to welcome and work with families of kids with disabilities. I cannot wait to see how God uses me to bring these ideas to reality.

OUR FINANCIAL NEED

\$1,400/mo.
for 3 years

There are many Godly women role models that have poured into helping develop me into the Christian I am today. I hope to bring a listening ear, a prayer warrior mentally and times of rest to the women of our church, as I seek to pour into them and help them build relationships with each other and God.

KEY VERSE: Colossians 1:28-29 "We announce the message about Christ, and we use all our wisdom to warn and teach everyone, so that all of Christ's followers will grow and become mature. That's why I work so hard and use the mighty power he gives me."
