

Sharing the Good News
of Jesus as we help people
take next steps in their
walk with God.

ANNUAL REPORT

The background of the right half of the cover is a faded, high-angle photograph of a church building with a red-tiled roof and a central steeple. Overlaid on this is a large, white diamond shape with a thick teal border. Inside the diamond, the year "2017" is written in a teal, sans-serif font. The diamond is positioned such that it frames the entrance of the church building in the background image.

THANK YOU

God did amazing things through Good News Church in 2017, and because of your financial generosity, you were a very special part of it! More people gave their lives to Jesus and were baptized, more families found their church home and community of faith that they had been longing for, and we all took new next steps in our walk with Jesus. In September of 2017, we celebrated 2 years as a new church since our official launch. Time flies when you're having fun!

In January of 2017, we were still meeting in Liberty Middle School, but since March of 2017, God has allowed us to have our own 24/7 rental facility in the heart of Powell. This has been such a blessing and we have seen this new space provide us with many great ministry opportunities.

Although Adam Kennedy still has 18% left of his fundraising, he has been working alongside me full-time since August of 2017. Adam has been such a blessing to me and GNChurch and a very needed full-time addition, so please pray that he reaches 100% fundraised soon and consider partnering with him through a monthly contribution.

On Christmas Eve of 2017, our GNCkids ministry officially expanded on Sundays into our neighbor's space (Recreations Outlet). This is such a neat thing that God has done, as this will allow us the space we need to make room for more people seeking after Jesus. I love seeing all the kids getting so excited about what they are learning and experiencing at GNChurch.

Thank you once again for your generosity and care for the mission of Good News Church. We hope you will continue to invest financially in this ministry in 2018, as we believe the best is yet to come and that there are so many more people who need the Good News of Jesus!
